

East Rand Youth Orchestra performs at NG Kruin

THE East Rand Youth Orchestra live at the NG ...show more

It was an extremely entertaining event for all ages

12 June 2012 | Gerhardt Theron

THE East Rand Youth Orchestra and the Ritme Rockers Musiek Kleuterskool entertained a large audience at the NG Church Kempton Kruin in Glen Marais.

On June 2 this energetic musical delight had the visitors in awe of their musical talent.

Besides playing some compilations of the orchestra, Mr Pienaar Fourie gave an animated demonstration of the orchestra.

All instruments were demonstrated and explained individually. It was also shown how the conductor himself was also a musician. His instrument is the orchestra.

At the end of the demonstration three pre-school children from the music nursery school had the privilege to experience what it was like to conduct an orchestra.

They were given the conductor's baton and conducted the orchestra all by themselves to the delight of the audience and the parents who could not remain in their seats but streamed forward to form a tight circle around the playing orchestra.

The music nursery school then gave an energising and enthusiastic performance of a variety of rhythms to the accompanying lively music.

The enthusiasm of the children was overwhelming and contagious.

The morning ended with a harmonious joint performance of "Twinkle Twinkle Little Star".

The East Rand Youth Orchestra will also perform at Norkem Park Primary School on Saturday at 10am in celebration of Youth Day.
